This might be the strangest thing you see this year. Heck, it might be the strangest thing you see ever. But it's so worth a look. When Jack the Wizard (Michael Shanks) gets sick of the Magical Realm's

obsession with large-scale fantasy warfare, he decides to move to the western suburbs of Melbourne. Because, well, why not? But after a big "uh oh" moment where he accidentally reveals the existence of magic, the sage really hits the fan. Mixing fantasy and comedy was never going to be easy, but Michael gives it a red hot go.
